

**A Guide to an English Session of
The 28th Annual Meeting of the Japanese Society for Environmental Education**

“Recovery from Disaster, Environmental Education and ESD”

To colleagues at

The Korean Society for Environmental Education

Chinese Society for Environmental Education

North American Association for Environmental Education

Australian Association for Environmental Education

We are pleased to announce that the 28th Annual Meeting of Japanese Society for Environmental Education will be held at Iwate University in Iwate in September this year. This meeting will include an English Session, and is aimed at members of the Korean Society for Environmental Education, Chinese Society for Environmental Education, North American Association for Environmental Education, and Australian Association for Environmental Education who have entered into a Memorandum of Understanding, as well as our society members involved in research and practical activities in Japan.

With hope of expansion for international exchange and professional relationship, the English Session is scheduled on 2nd and 3rd September, with oral presentations followed by question sessions and general discussions entirely in English.

For this purpose, we hereby forward the following four documents: 1) An English edition of the outline of the meeting, 2) Items to keep in mind to apply for the session, 3) Presentation application form, and 4) International participants' registration form.

We sincerely hope you take this opportunity to visit Japan, and look forward to seeing you at the meeting.
